MANAGER USER GUIDE FOR PERFORMANCE MANAGEMENT

INTRODUCTION

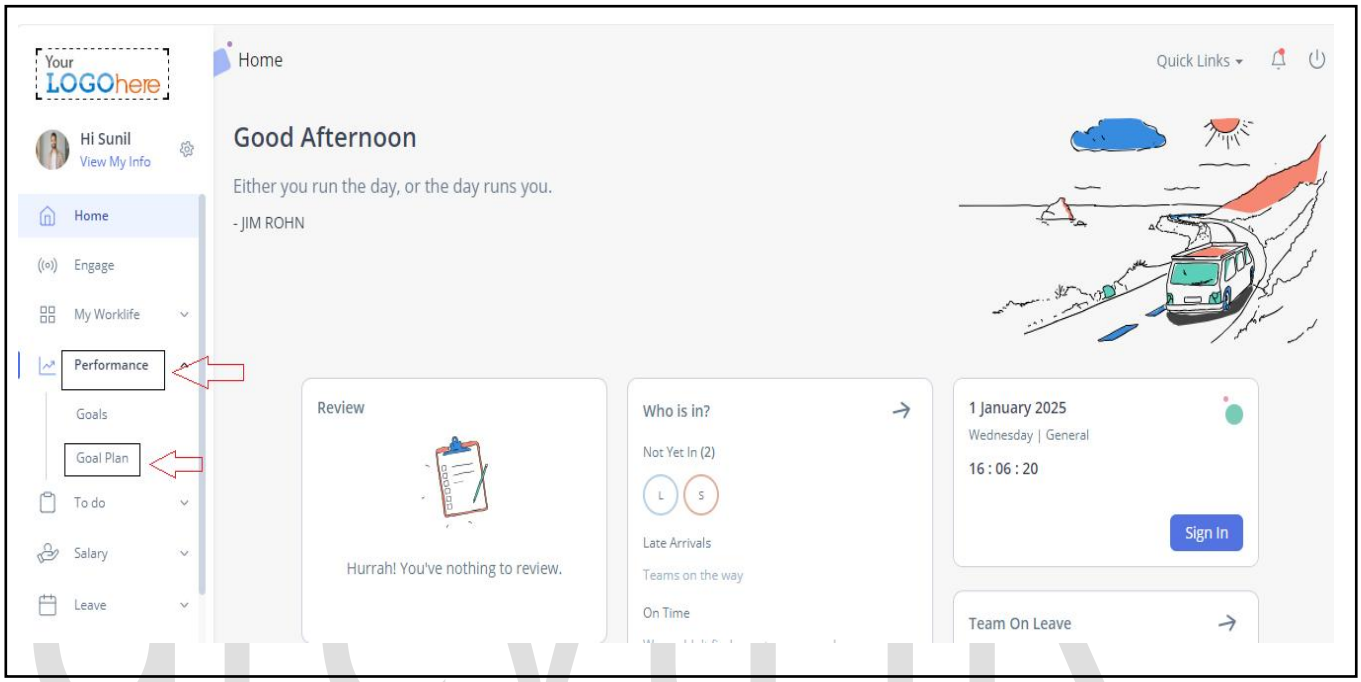

This manual is designed to help employees navigate the system effectively, ensuring a smooth and productive experience. The PMS is a comprehensive module that empowers you to set goals, track performance, and engage in meaningful feedback and appraisals. By leveraging this system, we aim to foster growth, transparency, and alignment with organizational objectives.

Whether you're setting up your performance goals, submitting self-assessments, or reviewing feedback, this guide will provide step-by-step instructions to assist you at every stage.

greytHR

STEP 1: How to navigate to the Performance module.

- Login to the greytHR ESS portal
- From the LHS of the home page, click on the performance drop down
- Click on “Goal Plan”

STEP 2: How to assign the goals for the reportees

- Click on “Team plans” and search the respective reportee
- Click on “get started” for the respective goal plan
- Click on “create goal” for assigning the goals
- Capture the details for the below mentioned fields
    - Select the goal category
    - Enter the main goal/KRA
    - Enter the sub tasks/milestones
    - Provide the weight for the main Goal & milestones
    - Enter the specific targets if required, if not please leave the field
    - Click on “create goal” for creating more Goals/KRA

- Finally, after the goal creations, from the bottom of the screen, click on "Assign"

Please find a sample for your reference

Category: Finance

Note: After assigning the goals, if any goals/milestones needs to be modified, double click on the respective field to make the changes.

STEP 3: How to update the progressions for the assigned goals.

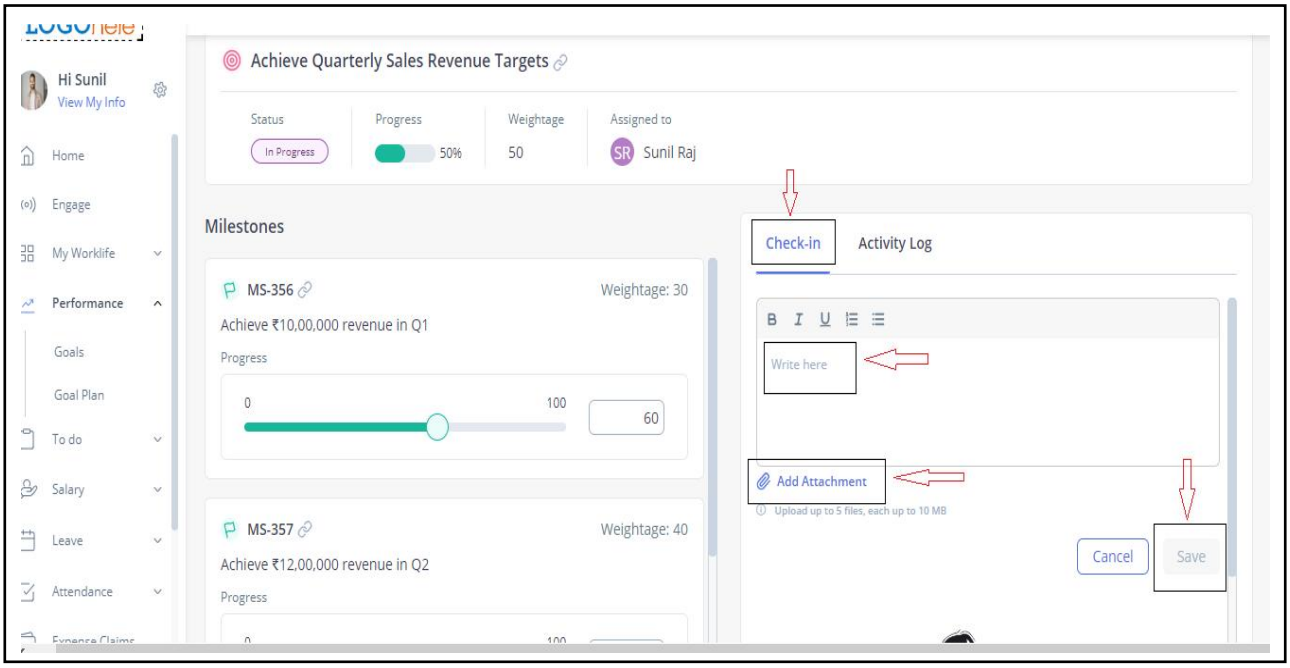

- Click on the “arrow” from the RHS of the page, for the respective KRA
- Drag the progress bar and update the progression of the KRA
- Else, capture the progressions manually in the check-box.

Note: The progressions will be updated in the activity log for your reference.

- Click on the “check-in” tab for updating any additional comments/remarks w.r.to the milestones.
- Supporting documents can also be attached, by clicking on “Add attachments”
- After adding the additional comments/attachments, click on “save” button for recording the comments.

STEP 4: How to complete the manager-assessment after employee self review submission

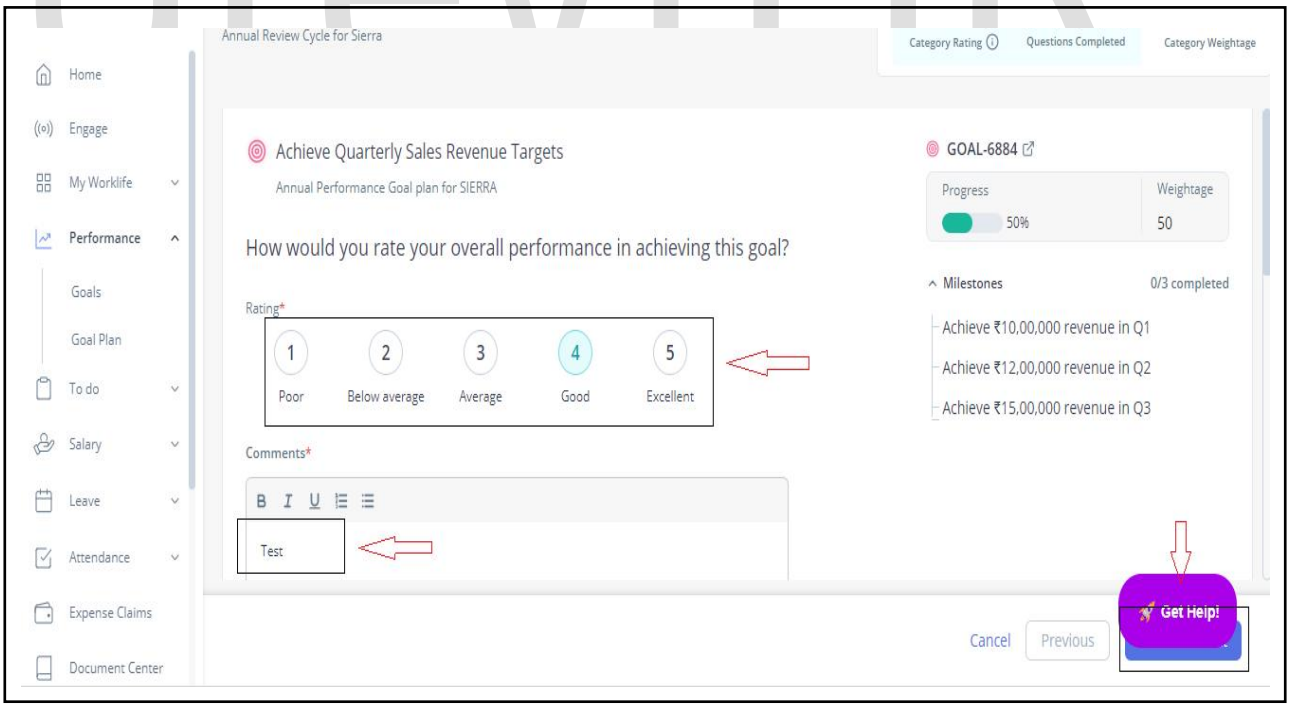

- From the home page, click on the respective reportee name under “Team assessment”
- Provide the rating & comments for each goal wise

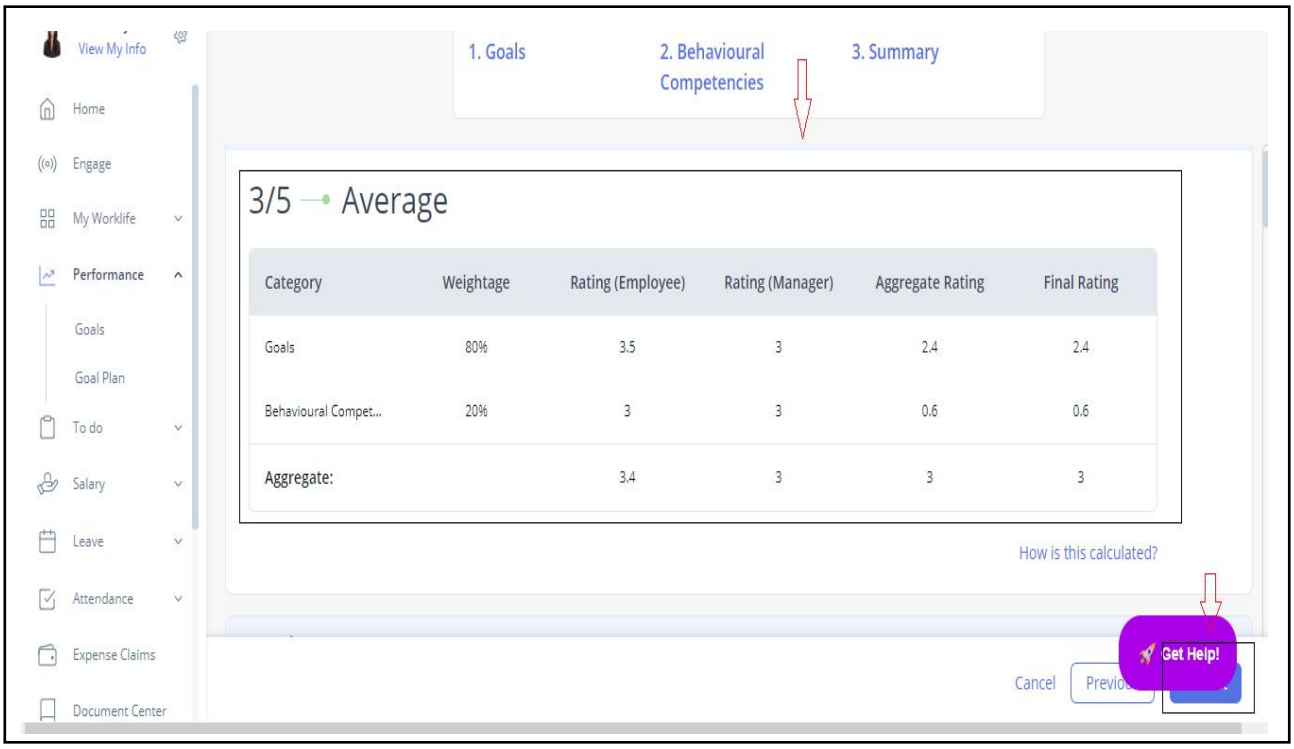

Note: Employee rating and comments also will be visible for your reference.

- If required, supporting documents can be attached for each goal wise
- After providing the rating, scroll down and click on “Next”
- Summary page will be available with the ratings & comments
- Review once again before the final submission
- Once reviewed, submit the self-assessment
